

Pro-Watch® 4.2

YOUR CAMPUS SECURITY

Security at the Top of its Class!

Honeywell

Pro-Watch® 4.2 Tops the Dean's List.

Campus security is a major concern of security professionals and students at every college, as well as employees, customers and the like at enterprise campus environments worldwide. Security shouldn't be an afterthought. Pro-Watch 4.2 is designed with an open platform that offers integration, scalability and flexibility. With the addition of wireless locks and biometric readers, Pro-Watch now offers excellent choices to fit your needs. Whether the goal is to increase safety in dormitories, laboratories, classrooms, and/or work stations, **Pro-Watch 4.2 wirelessly fits specific security needs at an affordable price.**
