

**Pro-Watch® 4.2**

**Put the Care Back in Healthcare**

**Honeywell**

## Pro-Watch® 4.2 helps save lives and revives your security!

Doctors and nurses aren't the only thing working 24/7 to ensure patient safety. Pro-Watch 4.2 is designed with an open platform that offers integration, scalability and flexibility to meet some of the most demanding security needs. With the addition of wireless locks and biometric readers, Pro-Watch now offers excellent choices to fit those demands. Whether the goal is to increase safety in ICU's, pediatrics, or the ER, Pro-Watch 4.2 wirelessly fits specific security needs at an affordable price.

From securing drug cabinets to securing emergency rooms, Pro-Watch 4.2 protects the most needed areas.

**Don't compromise on your health and don't compromise on your security!**
