EC-CERTIFICATE OF CONFORMITY

0832 - CPD - 2035

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive - CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

Fike SAV Container Valve

(For full product details and conditions of use refer to appendix)

placed on the market by

Fike Protection Systems Ltd

and produced in the factory

Fike Europe B.v.b.a., Herentals - Belgium

is submitted by the manufacturer to a factory production control and that the notified body BRE Certification Limited has performed the initial type-testing for the relevant characteristics of the product, the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of conformity (Level 1) and the performances described in Annex ZA of the standard

EN12094-4 – Fixed firefighting systems – Components for gas extinguishing systems – Part 4: Requirements and test methods for Container Valve assemblies and their Actuators

were applied and that the product fulfils all the prescribed requirements.

This certificate was first issued on 20th February 2008 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly and the required annual FPC assessments are maintained.
